About Pay4SchoolStuff.com

Pay4SchoolStuff.com is an innovative online transaction portal for use by school administrators, parents, and parent organizations (as well as other groups) that provides a simple and secure way for parents/guardians to pay the various fees due every year for their child's educational experiences (such as field trips and after school programs) and extra-curricular activities (such as sports team dues, prom tickets, etc.). Pay4SchoolStuff.com also provides the ability to have volunteers sign up for different activities -- such as chaperoning a field trip, pull attendee lists or reporting of who has paid--and allows parents to submit payment for more than one child at a time. All transactions are done securely, and parents will never need to worry about sending their child to school with a cash, check, or permission slip. Similarly, school administrators or volunteers will no longer have to deal with the hassle of collecting permission slips and fees, and heading to the bank to make deposits.
