PAY4 SCHOOL STUFF

"You Have Dramatically Changed How Our Parent Organization Does Business!"

We don't have to make this stuff up. We hear from Account Administrators all the time, like this PTA Treasurer above, what a huge difference the use of the Pay4SchoolStuff.com website is having on their organization's business. By allowing many different activity heads, committee chairs or Board members to have access to the website, your organization's affairs can all be handled easily, quickly and efficiently. From listing items for payment, collecting needed information through forms and cost-free items, communicating to parents via e-mails within the site, or pulling custom reports from the database, Pay4SchoolStuff.com allows your leadership volunteers to better spend time on programs that support students. Eliminate the endless hours spent handling checks, forms, e-mails, and manually entering data. Contact us today for an online demo, at info@pay4schoolstuff.com or 877-397-2937, and let us help your organization manage its affairs effectively.

Welcome to the Newest Members of the Pay4SchoolStuff Network

We would like to welcome just a few of our recent Payment Partners:

- Bellwood Discovery School PTA, Murfreesboro, TN
- Temple Sinai Nursery School Parent Association, Washington, DC
